Interactive Workshop

On 7 November 2018 the Eastern Cape branch hosted an interactive workshop titled "Alphabet soup vs evidence-based nutrition". Carol Browne was the speaker. Twenty delegates from the Department of Health, academia and industry attended the event. The workshop focused on imparting useful communication skills when formulating nutrition messages.

DST – NRF Chair of the Centre for Excellence in Food Security (CE-FS).

Prof Ndiko Ludidi of the University of the Western Cape has been appointed acting Chair of the Centre until June 2020. Prof Ludidi is from the Department of Biotechnology and currently the Deputy Dean of Research in the Faculty of Life Sciences at the University.
