Edelweiss Wentzel-Viljoen sharing some memories from the founding days of ADSA 21 years ago

- Congratulations to Jane Badham who was awarded the 2008 ADSA/Flora Award for making a meaningful contribution towards ADSA and the Profession of Dietetics over the past 5 years.
- Thank you to Edelweiss Wentzel-Viljoen, Gerda Gericke and Jane Badham for capturing the 21 year ADSA history in book form. This lovely book was handed out to all ADSA members at our 21st birthday celebration held at the Nutrition Congress in Pretoria earlier this year. If any ADSA members have not received a copy of this book, please contact the secretariat.
- ADSA membership for 2009 is currently due. Membership forms have been mailed to all members, but can also be accessed via our website on www.adsa.org.za.

The ADSA Executive would like to take this opportunity to wish all our members a Merry Christmas. We trust that you will have a good rest and enjoy the time with your families.
